INTERNATIONAL CONFERENCE ON NUCLEAR POWER: PAVING THE WAY FOR A SUSTAINABLE ENERGY SOURCE IN ASEAN.

In Conjunction with ASEAN CHAIRMANSHIP MALAYSIA 2025

Tentative Date : 11th November 2025 (Tuesday)
Venue : EQ Hotel, Kuala Lumpur

A BETTER PERCEPTION ON SHAPING THE FUTURE OF ENERGY IN ASEAN

Join us for the conference as Malaysia explores the potential of nuclear energy as part of its future energy mix. This international event will bring together experts, policymakers, and industry professionals to discuss the technical, safety, environmental, and regulatory aspects of nuclear energy, in alignment with ASEAN's vision for sustainable energy.

WHY ATTEND?

- Gain valuable insights into the role of nuclear energy in Malaysia's energy landscape.
- Learn from industry leaders about safety, compliance, and best practices.
- Foster collaboration between nuclear and non-nuclear sectors for project success.
- Understand nuclear energy's impact on sustainability and climate goals.

KEY HIGHLIGHTS

Introduction
to Nuclear Energy
in Malaysia

Safety,
Risk Management
& Compliance

Environmental
Impact &
Sustainability

Nuclear Power Plant Design
and Construction

Public Perception

TARGET AUDIENCE

Government &
Policymakers

Nuclear & non-nuclear professionals
in energy and engineering

Constructions &
Waste Management
companies

Educational &
Financial
Institutions

General public that is
interested in energy
solutions

Certified Training Provider:

Individual Ticket Price for Malaysia-
Based & International: MYR 1,300.00
Student: RM 700.00

**CCD, CEP & CPD points will be awarded*
