About the International Conference

This impactful conference aims to enhance energy literacy, dispel common misconceptions, and foster a deeper understanding of nuclear energy among industry professionals and stakeholders. By providing a platform for knowledge-sharing and expert insights, the event seeks to equip participants with the necessary information and perspectives to contribute meaningfully to the safe, responsible, and efficient consideration of nuclear energy within Malaysia's long-term energy strategy. Beyond technical discussions, the conference underscores the importance of public awareness, regulatory readiness, and environmental stewardship in shaping an informed national dialogue.

**THE POWER OF
CHANGE,
THE ENERGY OF
TOMORROW!**

Objectives

Enhance Energy Literacy

Demystify Nuclear Power

Bridge the Knowledge Gap

Promote Safety & Best Practices

Why Sponsor

Sponsoring this conference offers you the opportunity to:

✓ **ALIGN YOUR BRAND WITH NATIONAL ENERGY GOALS**

Position your organization as a key enabler in Malaysia's clean energy transition and support for nuclear development.

✓ **ENHANCE BRAND VISIBILITY**

Gain exposure to a highly targeted audience including government officials, industry players, and academic institutions.

✓ **SHOWCASE EXPERTISE & THOUGHT LEADERSHIP**

Use your speaking opportunity or booth to share solutions, innovations, or best practices that contribute to nuclear infrastructure and safety.

✓ **DEMONSTRATE CSR AND ESG COMMITMENT**

Publicly commit to sustainability, public education, and cross-industry collaboration.

✓ **LEAD THE CONVERSATION ON NUCLEAR READINESS**

Be seen as part of the movement preparing Malaysia's workforce and industry for nuclear energy integration.

| Target Audiences

Government & Policymakers

Nuclear & non-nuclear professionals in energy and engineering

Educational & Financial Institutions

ASEAN Members

Constructions & Waste Management companies

General public that is interested in energy solutions
