STRATEGIC SPONSORSHIP & PARTNERSHIP OPPORTUNITIES

Drive Innovation. Connect Leaders. Elevate Your Brand.

The TraffixMY Summit 2026 is Malaysia's premier platform for smart mobility, road safety, and traffic innovation, bringing together industry leaders, government authorities, technology providers, and key decision-makers under one roof. As a sponsor, your brand will not just be visible, it will be front and center in shaping the future of Malaysia's transportation landscape, with the opportunity to showcase your solutions and products to a highly targeted audience, strengthen corporate reputation, and position your brand as a leader in innovation.

You will also have the chance to engage directly with policymakers and industry professionals while gaining extensive exposure across official summit materials, digital

platforms, and on-stage presentations. Whether your goal is to drive awareness, foster meaningful connections, or demonstrate thought leadership, our sponsorship packages are designed to deliver maximum impact and lasting visibility, allowing your brand to take the forefront in Malaysia's smart mobility revolution.
